

# Positive Parenting

*"This group has been like the 'manual' everyone talks about not getting when their child is born. I wish it didn't end - I want more!!!"*

A group for parents with young children

This 10-week program will help:

- ◆ Strengthen your relationship with your child
- ◆ Build your child's social skills and self-confidence
- ◆ Reduce defiant and aggressive behaviors

*Group Leader: Brandi Henson, Psy.D.*

Dr. Brandi Henson is a child psychologist who specializes in working with young children with behavior problems. Dr. Henson has served on the faculty at Harvard and Tufts Medical Schools.

Cost: \$300 (\$30/session) for the 10-week program, payable in advance.
